VIV LA FRANCE!

Last year, I landed a job in Northern France and managed to find nearby lodgings with a wealthy, middle-aged couple for the summer. They were nice enough but the day I moved in I was handed a list of house rules for me to follow – including not being allowed any female visitors in the property. I didn't have a problem with toeing the line – I had to respect that it was their place, after all

– and I did, for nearly the whole time I was there. However, I found a way of bending the rules in my last few weeks – and they surely would've kicked my backside out if they had realised!

It was the husband's second marriage and he had a 19-year-old daughter, Vivienne, from the first, who came to stay during the last month I was there. I'd behaved like a perfect gent all year and so they just thought I was being nice when I asked her out for a drink. She seemed a bit prim and proper, but I could tell that just beneath that innocent veneer she was a right goer – she just needed the right company to bring it out of her!

I thought it might be slightly awkward when we first arrived at the bar, but as soon as she was out of her parent's earshot, she changed into a completely different person! She was relaxed and friendly – flirtatious, even – and I was amazed that when I asked what she wanted to drink, she requested a whiskey on the rocks! As the drinks flowed as did the conversation and, after covering music and film tastes, she began opening up about her parents. I was on the verge of switching off as she bemoaned her (privileged) lifestyle, but then I heard the magic words, "They think I'm still a virgin!" and I knew I was in with a chance.

As we walked home, a bit worse for

HEY LOWE!

Dear *Mayfair*,

Loved the pictures of Lexi in your latest issue (49.07)! I've been keen on Lexi ever since she started modelling, and I can't believe how much hotter and ruder she's got in the last few months, but believe me, it's made me one happy fan! Personally I still think she looks better in magazines than on film, but that's not to say I haven't spent plenty of time studying her in both! Please pass on my regards to the lady herself – long may she continue to model and appear in naughty movies!

Toby, Chesterfield.

CHERRY PICKER

Dear *Mayfair*,

In the last year or so I've taken a real shine to Naomi Raine – I think she's a stunning girl and am delighted that she's modelling for us in *Mayfair*. I might add that you've been spoiling us rotten, because every shoot of her so far has been with stockings and suspenders and high heels – truly amazing glamour shoots! Her knickers look awesome on her bum, although I'm glad she takes them off to reveal her fabulous bottom.

Naomi's legs, figure, face and bum has got to be one of the finest packages going! For her next *Mayfair* appearance, can I suggest she wears some nice nylon tights – and maybe even a uniform? I bet she's look amazing dressed up and stripping off in a nurse, policewoman or French maid's outfit! Just the thought of it is giving me goose bumps!

Graham, Cornwall.

Cheers, Graham – we'll see what we can do! – The Ed.

wear, Vivienne grabbed hold of my hand – which I took as a green light! – so as we reached her parents' driveway, I grabbed her and gave her a really passionate snog. She responded, pushing her tongue forcefully into my mouth, so I copped a nice feel of her tits and arse in the process. It was at that moment a bright light came on and we heard Vivienne's mother call, "Is that you, Vivienne?" Jumping apart, we made our way towards the house, where we were offered a cup of hot chocolate before turning in. Sod this, I thought, and went to bed.

Three hours and one wank later, Vivienne snuck in. She was wearing a bathrobe, which she immediately shrugged off

realize she was a bit of a screamer, making me terrified we'd get caught and I'd be chucked out on my ear. Strangely, even though I've never been into 'danger sex', that gave the whole fuck a kinky thrill – every time I rammed into her and she squealed, my muscles would clench and everything felt much more intense. She was so OTT that at one point I did think that she was laying the noise on thick, but I quickly realised that she couldn't stop herself.

"Come here," I said and changed position, sitting on the end of the bed with Vivienne perched on my cock. This way I could feel her gorgeous bum squirming against my crotch, touch up

"I DARTED MY TONGUE IN AND OUT OF HER JUICY FANNY, RUBBING HER CLITORIS WITH MY THUMB..."

as she got in bed with me; her hand instantly found my cock like she had radar or something. I was still half asleep as she started tossing me, but it didn't take very long for me to wake up, unsurprisingly! I felt down her body; her firm boobs, toned stomach, toned bum – and her already-moist snatch. I cupped her pussy with one hand, before finding her hole jamming three fingers inside. Yes, she'd definitely done this before, I remember thinking as she got her head down to suck my cock – just before she swung a leg over, so I could eat her out at the same time.

As I darted my tongue in and out of her juicy fanny, rubbing her clitoris with my thumb, she sucked my prick deep into her mouth, fondling my aching balls with her sticky hand. This was mind-blowing, but I wanted even more – I grabbed a handful of her arse and started rocking her in a fucking motion, hoping she'd take the hint. Luckily she did, leaving a trail of juices over my stomach as she slithered down to straddle my cock.

She fed me inside her, splaying her legs and reaching back to pull her bum cheeks apart so I'd sink in as deep as I could. I started humping up into her – and it didn't take very long to

her tits but also bring my hand up to her mouth, muffling her moans. This seemed to turn her on, and she began riding my dick enthusiastically, banging up and down on my tool. All I could do was close my eyes and enjoy it!

It appeared that Vivienne was in control, now, not that I minded. I still had my eyes closed when she suddenly stood up, juices dripping down her thighs, leaving my cock bobbing in mid-air. Then, before I had a chance to ask what was going on, she dropped down to her knees and slapped my prick between her tits, smiling as she told me that she liked a guy to come all over them because it was so, "bad and dirty". You should have heard the way that sounded in her sexy accent!

I didn't have much choice over where I spunked – my balls were already bunched up and ready to launch. She was looking me right in the eye, then she shut hers as I lost my mess all over her perky little boobs, her nipples dripping with jizz. She didn't stop wanking me until she'd milked out every last drop and I became too tender to handle the slightest touch.

As soon as that happened, she

Cor – what a tremendous view! And no, before you ask, of course I'm not talking about the sprawling streets of South London! Speaking as a North London boy born and bred, there's not much that would tempt me to head 'south of the river' – but the news that our very own Emma Green was going to be putting on one of her special shows was more than enough to do the trick, and before you could say 'Elephant and Castle' I'd taken my malaria pills and headed off into uncharted territory at the wrong end of the Northern Line...

Well, the good news is the whole place is nowhere near as wild as I'd been brought up to believe, and with the added attraction of Emma showing off her womanly charms, I was soon feeling right at home. In fact it wasn't long before I fancied 'heading south' and sampling some other delights...

got up, put her robe back on and left the room – without a word. At breakfast the next morning, I kept trying to catch her eye, but she played it more than a little cool. That is, until we were alone again later that night. She made the last part of my summer very enjoyable, but I can't help but wonder just how many blokes she's fucked under Daddy's roof, despite the house rules!

QUALITY STREET

Last night I got wanked off in the street right outside my own front door!

I'd met this girl Becca in a local pub on a few occasions, and each time she'd got more and more flirty with me. She had long ginger hair and amazing green eyes, with a petite figure and sweet little duds. Anyway, the other night we were getting along really well and I was pretty sure that I'd be getting laid that night, so when the time came to leave I wasn't surprised when she readily left with me.

On the way back to my place, she confessed to me that she really liked wanking guys off in strange places because there was something about watching spunk shooting out of a cock and landing somewhere weird that really excited her.

So when she leaned over me and rubbed her hand against my crotch outside my place I didn't complain! She got me hard very quickly – getting any kind of action outdoors is sexy, let me tell you – before I was even out of my trousers, and then she pulled my cock free of my fly and began to wank me off nice and slow.

She kissed me for a bit and I felt up her

SCHOOL DAZE

Dear *Mayfair*,

I think *Mayfair* is part of the British way of life! It's been on the go for so many years. I once got into bother at school when we were caught reading it. We were sent to the Headmaster's office. Thankfully he saw the funny side of it and let us off, but not before he took the magazine off us!

I'm pleased to say I still buy *Mayfair* today, and with such girls as Sophie Starr, Emma Green, Holly Gibbons, Penny Lee, Chloe Toy, Natalia Forrest, Tommie Jo, Dani Maye and Naomi Raine appearing, I intend to continue buying it for many years to come!

tit and rubbed my hand over her crotch and then she started talking.

"You have a lovely cock, it feels nice and warm and hard in my hand," she said, rubbing her thumb over my shiny bell end and squeezing my bollocks. I put my hand inside the waistband of her leggings and my fingers found their way down to her pussy, which was nice and wet.

I was loving the hand job she was giving me, but I wanted more, so I peeled

her leggings and panties down her thighs and pulled her towards me. She kept her hand on my cock as she rubbed my helmet against her wet pussy lips and clit. It felt great and she started moaning and telling me how wet she was and how she wished she could hold my cock in her hands forever. Knowing I wasn't far off, I braced myself for orgasm.

Becca sensed something was about to happen and pointed my cock in the air in front of her. When my spunk flew past her face and landed on a car in the road her face lit up and she slipped a finger

A PROPER CHARLEY!

Dear *Mayfair*,

At the risk of rightly being accused of wishing my life away, roll on 25 July and the next edition of your magazine!

Like many of your readers, a two girl set featuring Miss Green and Miss Maye performing together has got to be fairly near the top of my wish list. However, could I venture to point out one major flaw in the layout of next month's magazine; Charley Atwell appearing on a solo set. Could she not be persuaded to join Emma and Dani in a three girl set in the future?

We can but live in hope!

Richard, via email.

Ah, now there's a thought! A bit greedy, Richard, but perhaps we could persuade Charley to join Emma at a future date! Meanwhile, I hope you enjoy the Emma/Dani pix this issue! – The Ed.

inside her pussy lips, wanking herself off at the sight of my jizz splashing all over the street.

When she'd finished, she wiped the come from the tip of my cock, licked it from her fingers, kissed me, put my dick away and told me to call her. I've arranged to meet her on the pier next weekend and promised she can wank me off over the edge! Quite honestly, I don't think either of us can wait!

Turning 50 isn't always something to shout about, but here at *Mayfair* we're chuffed to bits we've hit the big 5-0, not least because the anniversary has lured luscious Zara Mae out of top shelf retirement so that she can help us mark the occasion! Talk about marking a birthday in fine style! So Zara, where have you been these last couple of years or so?!

"Oh, I've mostly been doing Page 3 stuff for the papers, but when I heard that *Mayfair* was turning 50 this year I suddenly got the urge to get a bit ruder again. After all, man does not live by boobs alone!"

True enough, although with boobs like yours we'd probably give it a go. Either way – welcome back into the fold, Zara!

QUEST...

Respectable married ladies carrying on? And with people other than their legally married husbands? What is the world coming to?

I have known my sister-in-law Gemma for just a few weeks, when she married my brother Paul, and even though we have spent many hours together since then I know almost nothing about her, not even what she does for a living, nor if she plans to be a stay at home wife. While we are together we never mention Paul at all; I don't know how they met or even what they saw in one another. The world disappears.

What I do know about Gemma is how to

make her quiver with lust and cry out in ecstasy when my

lips are clamped against her succulent little fanny. I won't go into details about how we came together as lovers, but suffice it to say that it happened naturally and very quickly during the weekend Gemma and I spent together at the happy couple's new home.

They had just returned from honeymoon, and, as Paul had been called away on an assignment for work, I offered to help Gemma with the big move.

For the first few days we pottered around the house, pulling things out of boxes and trying

to find a place for everything. We worked well together and it wasn't long before we found that we had a powerful attraction to one another. From that moment on we have barely come up for air.

Gemma is gorgeous, all softly rounded curves, smooth flat stomach and beautiful long legs. Her hair is a rich auburn and you could melt in the beauty of her big brown eyes. From the very first time we came together I could not get enough of her. Just kissing her soft lips made my heartbeat quicken.

I was relieved that Gemma made the first move as I was finding it hard to come to terms with the fact that I was lusting after my brother's new bride. However, the touch of her soft mouth on mine and the tingles left by her fingers as they moved down my back ensured there was no way I was going to reject her advances.

We were in the middle of the living-room, surrounded by labelled packing creates, and as we tore at one-another's clothing we pushed the boxes back to clear a space.

There was a lot of bubble wrap and tissue paper on the floor, so when we were in our underwear we were able to sink to our knees on the floor without any worry of carpet burns. Gemma had shed her jeans and top, and my

attention was firmly focused on her large tits, which had almost fought their way out of the delicate white lace bra-cups by themselves.

The small erect teats provocatively tipping each perfectly rounded globe were too much for me to resist, and I lightly nipped them both through the lace with the tips of my glossy long red nails. Gemma uttered a little squeak of surprise, parting her thighs as she slid her fingers inside her matching panties, dipping them inside her pussy.

I rolled her onto her back, popped her tits free and buried my face in her soft pillows of flesh, squeezing and kneading them as I straddled her body. Gemma's body shimmied against mine, her hips thrusting upward as she ground her crotch against mine. My fingers pinched her erect nipples as she wrapped her legs around my waist, clamping her body tight to me.

I felt Gemma stiffen as she climaxed and then felt her relax and go limp in my arms. Her breath was blowing in my ear as her ankles uncrossed again. I wriggled down between

her legs and tugged her tiny lace panties down her legs, kissing her pussy before sliding them off.

I wriggled down between her thighs. Which were fragrant with her feminine scent. I could not resist running my tongue up and down the slick petals of her labia before flicking my tongue against her erect clit.

Gemma wriggled with pleasure as my tongue stimulated her sensitive little nub, and her juices began to trickle more freely as I teased it further, alternately nipping it gently with my nails and batting it back and forth with the tip of my tongue. When I gently slid a finger inside her pussy Gemma's pussy-muscles gripped it tightly. I added another and began thrusting the fingers in and out with ever-increasing speed.

Her pussy clamped tightly around my fingers, the strong internal muscles going into spasm as she came, convulsing around my invading digits.

Gemma sighed and stretched, thoroughly sated and ready to give me the works in return. However, she had her own ideas as to how to make me come. Leaving me for a moment to catch my breath she rooted among her bags and found her vanity case.

Coming back with a grin on her face she produced a pearly pink vibrating dildo which she promised gave the most intense orgasms imaginable. Delighted with the prospect of Gemma pleasuring me I allowed her to position me on my elbows and knees on the floor. Moving behind me she caressed my arse-cheeks, smoothing and caressing them with her gentle hands until she felt me relax.

Parting my buttocks, Gemma began to lick my pussy, playing with my clit until I began to feel my pussy throb with need as the pleasure built. Then she turned on the vibrating dildo and held it lightly

against my clit, which began throbbing delightfully as the pleasurable sensations intensified.

Finally Gemma slid the vibrator inside my pussy and began to shunt it slowly as her fingers started to nip harder on my clit. My breath caught and I felt myself slipping over the edge as my pussy began to spasm wildly.

With my pussy gripping tightly around the vibrator I held onto the sensations as long as I could, then my toes curled and my body shook with the intensity of my climax as my pussy rolled from one spasm to the next.

“SHE PRODUCED A PEARLY PINK VIBRATING DILDO, WHICH SHE PROMISED GAVE THE MOST INTENSE ORGASMS IMAGINABLE.”

My husband, Ade, and I were childhood sweethearts and got married at 18, so I had only experienced sex with him. Sure, I had gotten to second base with a few guys at school, but I had lost my virginity to Ade and been faithful to him since. Now, in our early thirties, our sex life had become somewhat stale, unsurprisingly, and I felt myself occasionally checking out other guys – including Ade's friends, I'm a bit ashamed to say.

I met Wes, one of Ade's five-a-side mates, at a barbecue we threw a few summers ago, and we hit it off immediately. When he heard I was looking for a part-time job, Wes said his firm was looking for a secretary and that he could put a word in for me. True to his word, I got the job and have been happily working there for over a year now.

As we saw each other a few days a week, Wes and I got on better and better; we had the same sense of humour, shared the same tastes in music and films and spent most lunchtimes down the local pub with the rest of our workmates, so it stood to reason that we drifted closer together. I surprised myself when I realized that I fancied him, but tried to bury my feelings – he was my husband's mate, after all. Plus, he obviously had no interest in dowdy old me when had the pick of all the pretty girls at work!

It all changed at a work's do this summer. We were celebrating a colleague's promotion at a bar; the champagne and cocktails were flowing and everyone was pretty hammered when a game of dares started. I know it was juvenile, but I readily joined in, and when I was dared to lick Wes' nipple, I laughed and went for it. My forthrightness was met with cheers and whoops, but when I had finished my dare and the attention was on the next person I caught Wes' eye and realized there was a sexual chemistry there that I had never felt before; the air felt electric and my breath caught in my throat. Shaking it off, I decided to avoid him for the rest of the night... He was Ade's friend, as I kept reminding myself.

The end of the night arrived quickly and everyone stumbled out of the bar, saying goodnight to each other and piling into taxis. As Wes and I lived only a few streets away from each other, it made sense that we

would share a cab – as we had done many times before. Except this time was different; I was aware of his leg pressing against mine

“THERE WE WERE, NAKED ON THE RUG, MY LEGS ROUND HIS BACK AS HE PUMPED ME...”

and I could hear his shallow breathing – surely I wasn’t imagining it?

“Don’t I get a goodnight kiss?” Wes asked, breaking the silence, and that was it – we had our tongues down each other’s throats. “Let’s go to yours,” I breathed, more turned on than ever before.

We both knew that this was purely sex – neither of us was interested in breaking Ade’s heart. There wasn’t much more kissing – as soon as his door shut behind us he had my tits out of my top and a hand up my skirt, while I desperately yanked his flies open, fondling his rigid cock. We stopped momentarily to get undressed, Wes standing there, fondling his huge prick as he eyed up my gym-firm body. Then we were, naked on the rug, my legs round his back as he pumped into me hard. I should have been nervous, but feeling this new length and girth inside me was liberating and all I cared about was being fucked. However, all he seemed to care about was coming, and I groaned as I felt him spunk inside me when I wasn’t quite

there myself. He pulled out; his purple-headed prick still hard, and watched as I fingered my spunky snatch to an orgasm.

Getting dressed, I said I’d better be going – Ade would be wondering where the hell I’d got to. Despite only living 5 minutes walk away, he called a minicab for me, which he paid for, and gave me a hug and kiss as he saw me out, but I’ve never felt so awkward and unsatisfied.

Ade was fast asleep when I crawled into bed and started playing with his cock, getting him hard for a fuck. Don’t get me wrong, I still fancy the arse off him, but he’s always so bloody tired from work. He was going through the motions a bit, sucking my tits as I sat on his cock, but I was so turned-on by my shag with Wes, I was getting off anyway, banging and frigging myself to another orgasm.

I was dreading work the next day, then Wes texted saying we needed to talk. I was expecting things to get even more difficult, but instead he asked was I up for getting together again, just for a no-strings shag. I know I should have said no, that it wasn’t fair to Ade and the sex hadn’t even been that good, but

I couldn’t help myself.

Though Wes and I are careful to keep it out of the office and away from Ade, we can’t resist sending each other filthy texts.

I’ll be in the middle of a boring meeting when my mobile vibrates, and he tells me to think of his stiff prick sliding up my juicy pussy. Once, I ended up in the toilet, fingering my hole, and texting him to ring my phone so it buzzed against my clit.

Unless I can wangle a night away from home, the sex is mainly quickies. Either I’ll go to his place, or we’ll screw in his car.

The other morning, Ade had to leave home early for a job. I wouldn’t let him go until he’d shagged me – he acted like I’d lost the plot, but bent me over the bed for a quick stand-up doggy. Then, while he was in the bathroom, I texted Wes to pop round for a session before work. I felt like such a slut, as he fucked my tender pink pussy, my husband’s spunk streaming down my inner thighs as his mate’s prick forced it out.

I’m realistic – it’s going to end some day. Obviously Wes sees other women too. He gets off on the thought of shagging me, then having some other girl suck my juices off his prick, but one day he’s going to get serious with someone. And I’ve got no intention of leaving Ade – I just hope he never finds out about my bit on the side!

My husband likes to point out that life isn’t fair. “If you believe in the law of averages, there must be some poor guy who’s not getting any sex at all,” he jokes. Neil and I have always had an

honest and open relationship. I had never dared to tell anyone about some of the things I thought

about before

way of teasing out my sexy secrets and making them real. I like studded leather and handcuffs and I love anal sex and spankings but my deepest secret is that I love to share my man with other women. Perhaps it’s the ultimate submission to let my husband fuck another woman. All I know is that it turns me on more than anything else. That was why my pussy sparked with excitement when Neil mentioned a woman he had noticed a few days earlier at the gym.

“What’s she like?” I asked, while stirring the gravy.

“Skinny redhead, nice smile.” I could tell there was more without looking round.

“Does this skinny redhead have a name?”

Neil slid in behind me as I put the finishing touches to our evening meal. “Carrie. She’s a law student. Just started her placement year, which is why she’s switched gyms.”

“Do you want to fuck her?” I asked bluntly, wriggling free from my husband’s grasp.

“Of course I want to fuck her. You know how much I love skinny redheads.”

“I am not skinny!” I protested.

“Sorry. Slim? Slender? She reminds me of you. Of course, you’re better in every way.”

“Of course,” I said, accepting the hurried compliment. “That’s why you married me.”

“Carrie’s just broken up with her boyfriend. She reminds me of you when we met.” I

grinned as excitement knotted my belly. Neil and I first met when he was living with a friend of mine. I’d just had my heart broken and housesat as Neil and Tammy went off on their first holiday together. They were in the honeymoon period of their relationship and seemed to spend most of their time in bed. I found myself presented with three choices – find somewhere else to live, listen to them having sex morning, noon and night or take up the invitation to join in. Tammy thought it would be good for me to have some meaningless sex and she was right. The three of us having sex really worked as I liked being their submissive sex toy, expected to pleasure them whenever they chose. I don’t believe in karma but it did feel like a circle was being completed when I invited Carrie to ditch her dirty digs in favour of our spare room. She was so successful in keeping out of the way that we barely saw her, which made it tricky to implement our plan. “I think I’m going to have to move out,” she said, joining me in the kitchen after work one evening.

“Why?” I asked, as I automatically set out another cup of coffee.

“I think your husband,” Carrie said carefully. “Maybe fancies me?” The excited knot, which had faded to nothing during the weeks since Carrie had moved in, suddenly returned.

“Of course he does. He likes svelte redheads.” I ran my fingers through my hair. Carrie’s eyes flicked up to my hair and she flushed with colour as she stared at it.

"So do I," she said eventually.

"What?"

"I like svelte redheads. And blondes and brunettes." I gawped at Carrie. "You didn't know I'm a lesbian?" The excited knot in my belly became a boulder.

"But Neil said that you'd just broken up with your boyfriend?"

"Alex wasn't a boy." I can't really explain what happened next. One second I was a perfectly normal, rational human being, the next I was ravishing Carrie. Her lips were gloriously soft against mine as I kissed her and the feel of her skin under my hands was electrifying. Our breasts flattened against each other as Carrie kissed back, pressing her tongue into my mouth. The kettle clicked off as it boiled and we broke our steamy clinch. "I can't stop thinking about you. I know it's wrong but..." Carrie admitted as she ran her fingers through my hair. I knew exactly what she was thinking.

We kissed again, just as hungrily as before and I found the zip under Carrie's hair and pulled it down to the small of her back. "You're married!" Carrie screeched, as I pulled her dress down, leaving her standing in black bra, panties and tights.

"Yes, I am," I hissed, cupping her pussy through the tights and

MY PUSSY FELT LIKE IT WAS ON FIRE AS SHE EXPERTLY FINGERED MY ACHING CLITORIS.

panties. She looked doubtful but her hips tilted forward involuntarily, showing how eager she was to feel my touch. Carrie moaned as I ground her pussy. I wasn't able to feel details through the layers of material but I knew that I was making her insides melt just by touching her. "Let's go to bed," I suggested. We were both naked by the time I'd guided her into my marital bed.

"I can't believe we're doing this," Carrie said, above the sound of her squelchy pussy clinging wetly to my fingers. Her smooth willowy, frame felt deliciously different from my husband's hairy body. Groaning with desire, I guided Carrie's fingers up between my legs. My pussy felt like it was on fire as she expertly fingered my aching clitoris. Tammy was the only girl who had touched my pussy and it felt different to let a lesbian touch me. My mind filled with all sorts of naughtiness as Carrie took me to a quick and dirty orgasm.

Fiery pleasure was still rippling through my body as I span round over Carrie and planted my head between her legs. Mouths and pussies came together and the excitement of doing something so rude quickly had my pleasure spiking again. Carrie's thighs tightened their hold on my head even as her crotch thrust out to meet my mouth. I sucked on the soft, rubbery folds of her labia and delighted in the dirty thing I was doing as she made my crotch vibrate with her own loud moan. As I continued to lick, dragging my tongue along the length of Carrie's pussy, her whole body started to vibrate under mine. "Oh God, oh God," she said, over and over again. "Keep licking my clit." Carrie obviously wasn't satisfied with just one orgasm and I did as I was told by concentrating purely on her clitoris. The stiff little nub was impossible to miss and the reaction was spectacular as my tongue circled it. "Now stick your finger up my bum!" I felt a surge of adrenaline as Carrie poked a finger against my anus. She liked to keep her nails long and the thought of those red talons pushing inside my bumhole made my pussy erupt into another orgasm. My mouth was flooded with juices as soon as my finger squeezed into Carrie's bum. "Hello?" Neil called from the hallway. I saw the look of panic on Carrie's face.

"Up here!" I called loudly. "I want you to let Neil fuck you. OK?" Carrie's eyes went wide but she nodded. "I'll tell him to be really gentle and he'll be so excited that he won't last long." Carrie laughed. The truth was, despite my previous orgasms, I wasn't going to last long either. "Surprise!" I said, as Neil stepped into the bedroom. Neil didn't say a word, as if he'd been hypnotised by Carrie's naked body. "I want you to fuck her," I said, making them both gasp. "I think he just came in his pants," I joked.

"Nearly," Neil said, quickly stripping. He moved up over Carrie and I tried to imagine what she was thinking as he slid his cock inside her. The naughtiness of letting my husband fuck my lesbian lover intensified every spasm as I masturbated. My third orgasm made my body pulse with bliss as I listened to Carrie's gasps in response to Neil's urgent strokes. As my orgasm faded, I began to feel guilty.

"Are you OK?" I asked, as Neil rolled away. Carrie didn't answer until I squeezed her hand.

"Actually, it wasn't too bad."

"Still thinking of moving out?"

Carrie laughed. "No. Definitely not."

"Perhaps you'll let me use these on you anyway?" I asked, pulling out a pair of fluffy handcuffs.

"Definitely," she said. By the law of averages, someone is missing out on some great sex.

oooooooo

O ooh, it's been rather a while since we last managed to entice delectable Yorkshire honey Amy Green down for a shoot, so we were pretty made up when we were finally able to track her down and book her in last month. So what's she been up to since our paths last crossed?

"Well, as you might have noticed, I've had a bit more work done on my tattoo, which is coming along nicely!"

Tattoo? What tattoo? Oh yes, there it is! Sorry Amy, but when you're in the same room as us, there seem to be so many parts of you that demand our attention that the right hip tends to come fairly low down in the pecking order!

"Hmm, yes, my boyfriend didn't notice it for about three weeks, either!"

Well we can't really blame him – not with the fantastic views he gets to enjoy on a nightly basis!

S mokin' hot Ana Foxxx is just the sort of cutie who'd be perfect at enlivening some sort of dull 'Black tie' event, wouldn't she? After all, she's sporting a dickie bow – even if she hadn't got too much else on...

"Hmm, I don't think they'd let me in to the opera dressed like this," she laughs, "black tie or not!"

Well, Glyndebourne's loss is clearly our gain, because instead of hobnobbing with the culture vultures and the toffs, she's here instead, giving us all an eyeful of her spectacular charms!

"To be honest, I'd rather be in *Mayfair* than at Glyndebourne in any case! Opera's a bit of an acquired taste, isn't it? Sex, on the other hand, is something that everyone can appreciate!"

Amen to that. Who needs fat ladies singing when you can have fit ladies stripping?!

GENTLEMEN, That Reminds Me

Well this is the best we could muster, but if you think you can do any better, email us your efforts at: mayfair@paulraymond.com or send them to: Mayfair, 23 Lyon Road, Hersham, Surrey, KT12 3PU.

A man dies and his wife has him cremated. She takes the ashes home and starts talking to them.

"You know that fur coat you always promised me?" she says to the urn. "Well, guess what, chum... I bought it with your life insurance money and it's hanging in the wardrobe."

Picking the urn off the mantelpiece she asks the urn: "You know the new car you always promised me? Well I bought it with your life insurance money as well, and it's sitting outside the front door. I made sure to get the very top of the range too."

Then, carrying the urn to the French windows and opening them, she unscrews the top of the urn and whispers to the contents, "And you know that blow-job I always promised you? Well, here it comes."

A wealthy Aberdonian lawyer is driving down the street in the Granite City in his BMW when he spots a man eating the grass between the pavement and the side of the road.

Curious, he rolls his window down and asks the man what he thinks he is doing?"

Close to tears, the man replies: "I'm homeless and so poor that all I have to eat is grass."

"Well," says the lawyer, "jump into the car. I'll take you home and feed you."

As he opens the passenger door the homeless bloke says: "I'm very grateful, sir, but... well, the thing is: I have a wife and two kids as well."

"No problem," says the lawyer, "Go and get them. Bring them too."

"Really...?" asks the homeless man.

"By all means," says the lawyer. "My lawn hasn't been cut for months."

M

There's this American farmer and his teenage son, and the only animal on the farm to have survived the especially hard winter is a duck.

One day the farmer is sitting trying to think how he can pay off last month's heating bill when he finally admits to himself and his son that they are flat broke. So he tells his son to go into town and sell the duck for as much money as he can possibly get.

The boy heads off to town with the duck in his arms. On the outskirts, however, he is accosted by a prostitute who has not

been blessed by the god of beauty. The hooker looks straight at the boy and says, "You can fuck me for ten bucks. Do you have ten dollars?"

"No," says the lad. "No money. All I got is this duck."

He starts to walk away, but the prossie stops him and says she will accept the duck instead of ten dollars. The lad gleefully accepts and they disappear down an alley for a vigorous knee-trembler.

Afterwards, as the lad takes his leave of her, the prostitute pleads with him to screw her again, because, she says, "that was the best shag of my life." She's so keen that she even gives him the duck back to convince him to do her.

So they have another passionate bang against the wall in the alley. An hour passes, by which time the boy is knackered and he waves her goodbye and stumbles into the town, still with the duck in his arms.

But the town traffic noises spooks the duck and it flaps out of the lad's grasp and flies straight into the path of an oncoming car. Tragically, the poor duck is obliterated. The horrified motorist gets out and apologises for hitting and killing the young lad's duck. He hands him \$20 as compensation, and, still saying sorry, gets back in his car and drives off.

So the lad goes home and hands his dad the 20 dollars. The father notices that his son looks exhausted and asks him, "What happened?"

The lad says: "I got a fuck for a duck, a duck for a fuck, and a sawbuck for a fucked-up duck."

This all happened in Minnesota.

An ugly and not very bright young bloke is having a hard time picking up a bird, so his far more worldly friend takes him to a nightclub where he tells him that he will score for sure.

Our dumb chum goes to the bar, spots a girl he quite fancies, and begins to barrage her with pick-up lines that he has acquired from his friend. The young lady continues to ignore him for about 20 minutes, but, in the end, being no raving beauty herself, finally gives in. She says: "Okay okay, don't say another word! Yes I'll spend the night with you at my

place! - but I've got to let you know up front that I'm on my menstrual cycle. You cool with that?"

The dim bloke looks at her, grinning, and says: "That's no problem. I'll follow you on my moped."

M

Three women are sitting in a bar - predictably enough a brunette, a redhead, and a blonde. Since they are all pregnant, this is their main topic of conversation.

The brunette says, "I know what I'm going to have."

The others ask how she knows already, since none of them are far gone enough to have had a scan. The brunette replies, "Well I was on top when I conceived, so it will be a baby boy."

The red head says, "If your logic is

"I didn't really want the house, but my husband fell in love with the view!"

correct then I will have a baby girl because I was on the bottom when I conceived.

The blonde has been listening very carefully. Now she suddenly claps a hand to her mouth, then starts squealing in excitement: "PUPPIES! PUPPIES!"

M

A young woman goes to church to confess her sins to the priest. "Forgive me Father," she says, "for I have sinned."

"Tell me all of your sins, my daughter," says the priest.

"Oh, Father, last night my boyfriend made hot, passionate love to me seven times," she says. The priest thinks about this for a few moments then says thoughtfully: "Take seven lemons, squeeze the juice into a tall glass and drink it."

Surprised the girl exclaims: "Will that cleanse my soul of my sins?!"

"No," the priest says, "but it'll wipe that grin off your face."

Given that she came third in our girl of the year vote at the start of 2014, we figured it was high time we caught up with the delectable Natalia Forrest again – and bugger us if she isn't looking even lovelier than ever? How does she manage it?!

"Well, it's my job really, isn't it?" she laughs. "Nobody wants to take pictures of some old trout, do they, so it's up to me to make sure I look as sexy as I can for all my fans!"

We guess so, although we can't help thinking nature's dealt you a bit of a winning hand in that respect, irrespective of how much effort you put in to your appearance!

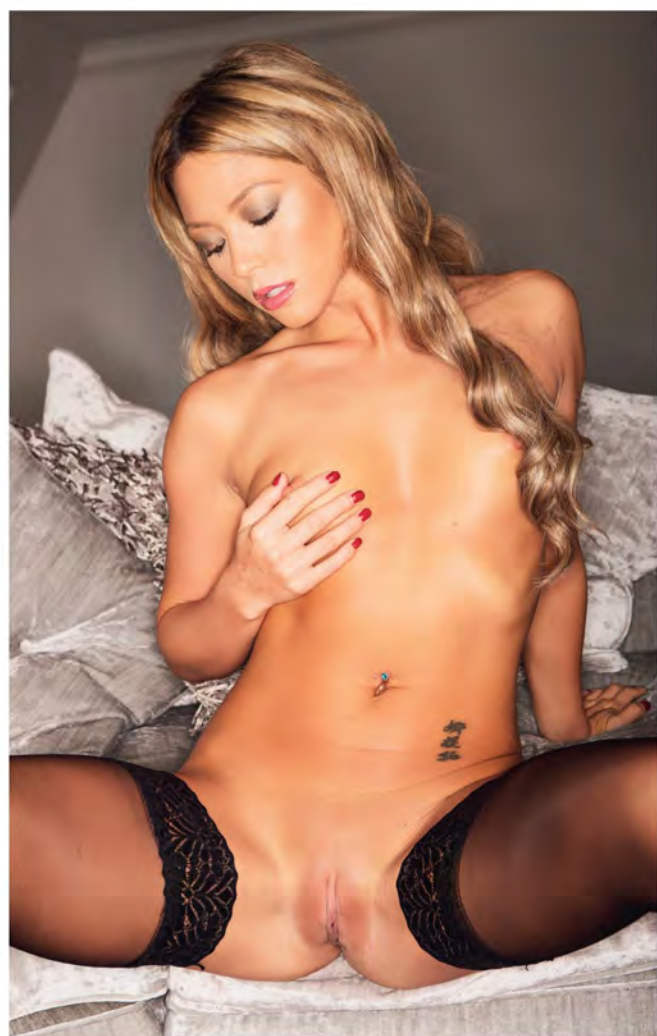

"I guess you're right, but even so – you really don't want to see me when I first wake up in the morning!"

Christ on a bike! We'd give our hind teeth for the chance to be there when you first wake up in the morning, Natalia! Erm, so how about you staying over tonight, so we can give it a go...?

BEXIE

Age: 22 Vital Stats: 32DD-26-31 5'7"
Photographer: BB Media

□□□□□□□□

Hants-based hottie Bexie's the second in our trio of newcummers this issue, and isn't she a cracker? Sometimes you just know you're onto a winner, and as soon as she bounded into our studio for this shoot we knew we were all set for a good day. There was no shyness or false modesty – she couldn't have been easier to get along with, and didn't need any encouragement to get down to her undies for us...

"I guess I've always been a people person," she admits. "Ever since I was a kid I've loved getting around, meeting new people, and I can usually get on with people instantly. Well, except for the odd tosser, that is, in which case I really can't be bothered!"

Well quite – there's no point wasting your time on tossers, is there? Erm, so as far as you're concerned, everyone here is OK, are they?

"Yes, I think so! I'll give you the benefit of the doubt, in any case."

Phew – thank God for that!

□□□□□□□□

Please put a Penny in the old man's hat – that's how the song goes, isn't it? Well not bloody likely – unless the old fella in question is right on top of his game he's likely to pop his clogs if faced with the prospect of the luscious Penny Lee peering out at him from his titfer! So, no hat-based shenanigans for Penny this Christmas – but what can an admirer do to get in her good books over the festive period?

"Jewellery's always a good start!" she laughs. "There's nothing that a nice set of diamond earrings won't get you, or a swish bracelet!"

Hmm, how very shallow! Still, if you want to bag a girl as foxy as this, a trip down to Elizabeth Duke doesn't really sound like too much to ask, does it?

MAYFAIR Movies

OK, so 2015's arrived, and we're all trying to keep our noses clean right? Well, we've found that there's very little danger of getting into trouble if we're at home with a mucky flick or four - and here's four all ready to try!

★★★★☆

**Editor's
PICK**

RIDE OR DIE
Digital Playground

CAST: Mia Malkova, Aidra Fox, Lola Foxx, Riley Reid, Selena Rose.

With *Ride Or Die*, award-winning adult actor Derrick Pierce has made a big deal type porn thriller – and a good one – in which he himself stars as Vince, an underground street car racer caught up with an undercover government agent and former sexy ex-street racer, happily portrayed by Mia Malkova. Hardman Vince's loyalties are tested as he is forced to comply with Mia to bail his sister out of a SuperMax (or maybe she said a supermart: these souped-up car engines are so deafening).

Mia's target as she goes undercover in the street racing community is to locate the Grip Gang, a racing trio consisting of Selena Rose™, Lola Fox and Aidra Fox, who've hijacked a government truck, the rotters!

With unforgettable lines of Hollywood blockbuster style dialogue, such as this, from Derrick Pierce, speaking to a catwalk-glossy female driver, "You have the gift of racing in your blood," and cringe-worthy clichés like "You don't choose The Life; The Life chooses you!" and "You're either part of the solution or you're part of the problem", *Ride Or Die* is a bloke-who-needs-to-come-off-really-urgently's emergency idea of a multi-million peso street racing thriller with women in hot pants firing guns and taking it up the woo-woo, four nasty cars and Derrick saying ominously "Ride or die," "Ride or die" every second time the camera settles on him.

The plot, then, is nothing much to write home about, but the sex is splendid and hey – when was the last time you wrote home about the plot of a porno film anyway? Exactly, it was probably two or three years ago, at the very least.

Ride Or Die is a bloke-who-needs-to-come-off-really-urgently's idea of a million pesos thriller...

Wicked Pictures

JOY RIDE

CAST: Eva Sedonna, Hope Howell, Jasmine Caro, Jenna Ashley.

As every film buff knows, if a carload of guys ask you to get into the backseat and take a ride, you are on your way to a hole in the Nevada desert or a shallow grave in the woods.

Ride-sharing is different. First of all, you get to live. Secondly, a ride share (or "car service") driver is at the wheel of a glorified taxi, ensuring the passenger has a luxurious journey home.

But what if the ride share/car service driver is a real Jack the Lad? I mean what if he picks up extremely hot girls, offers them cash for a shag, and then "secretly" videos all of the encounters using his cell phone app for our viewing pleasure? Hmm?

Armed only with a glove compartment full of condoms and the slogan "drive cars, make money, fuck chicks", a dirty driver tries it on with every bird he picks up. Some take his financial offer less delightedly than do others, like the cracking brunette who looks vaguely startled and says, reading off her palm, "Oh my God, I've recorded what you've just said on my phone and this is so totally

like sexual harassment". But does she go to the cops? No, she doesn't. Instead, within minutes she has both sets of lips wrapped around a fireman's helmet.

All very well, but every passenger I tried this nonsense on with when I was a cabbie said no except the one who turned out to be a female impersonator. And did he go to the cops? Yes he did.

Brazzers

BRAZZERS 10TH ANNIVERSARY

CAST: Monique Alexander, Jayden Jaymes, Rachel Rorxxx, Phoenix Marie, Madison Ivy, Kagney Linn Karter, Ava Addams and more!

Has it really been ten years? Why that's very nearly a decade of shooting some of the most daring adult hardcore out there, and all the porn studs all grown up now, and shaving, even if it is only their balls.

And within this celebration of their work, lo! – we have Mia Malkova's long-awaited, fan-requested, first-ever anal, and here she is, showboating her wares before the big event. Yes, there's her bumhole, she's in her starting gait, and here's the stud... here he is... nice and erect... good and rigid... and in it goes! It's in! No, no it's fallen out again, but he's rubbing himself rigid and he's hard enough this time and by Jove and golly as well it looks to me as though it's in all the way! It is! It's in! Back of the net!

Also worthy of a running commentary is Jayden Jaymes in the finale. Unlike the other girls, Jayden won't stand for being pranged up the bahookie. Oh blithering gosh, that's not going down very well with her porkswordman, no, and even Keiran Lee is looking at her as if Jayden's mental... but no, DEFINITELY NOT up the bum, not for this fine young filly. So it's entrance via the front foyer only I'm afraid, but look at that, she's loving every second of her pussy being plundered, though I half-suspect she's still got an eye on her anus, I know I would, just in case someone sneaks one in while she's otherwise engaged and oh my, oh she's coming now and oh goodness – oh heavens – whatever did I do with those tissues?

Wicked Pictures

THE BAIT

CAST: Stormy Daniels, Dana DeArmond, Chanel Preston, Samantha Saint.

Stormy Daniels is, alas, in an unhappy marriage with Toni Ribas. What with their both being porn stars I'm guessing that the root cause of their misery might well be that they suspect each other of infidelity, but of course it's none of my business. "Rule No.1: Never come between a stunt-dick and his slapper." That's one of my rules; Jason Statham had rules in the *Transporter* movies, and so do I.

Whatever the trouble, when their divorce is finalised (yes, it comes to that), Stormy attacks her ex-husband and ends up in jail. That's when a bail bondsman gets her out and uses her as, well, bait to bring down other criminals.

Stormy goes undercover at a strip joint run by Michael Vegas, who instructs Stormy and Dana DeArmond to visit his home (are you keeping up here?). The two employees show up at Michael's house the next day "not knowing what to expect". Michael dines on Stormy's mound while Dana sucks Stormy's tits. Stormy sits on

his face for a while and when that gets boring he obliges the two to take turns slobbering all over his johnson. It's like watching what goes on inside a trough. Then, in a shocking twist, gasping with excitement, Michael blasts his load all over – not Stormy's but Dana's face!

Now I know that some of you must be freaking by this point but Dana can be a girl's name as well.

As it is, I hasten to add, in this instance.

After capturing the bad guys thanks to Stormy being knobbed and lezzed until she's punchy, the bail bondsman

laps her labia, skull-bangs her and pours his penile porridge onto her perfectly proportioned pelvis.

Goddamn it, at a time when fine examples of American justice are pretty thin on the ground this is a doozy – and why I'm proud to pretend to be an American.

Rent this 'un? Maybe even buy it so I've got it to hand forever? Heck yeah. You betcha!

oooooooo

Mmm, the delicious Cara Brett and a wetroom – the possibilities seem almost endless, don't they?!

"Ah, don't get me started on wetrooms!" Cara grins. "A couple of years ago I went on holiday with my then boyfriend and the hotel we stayed in had the most wonderful en suite wetroom! We spent so much time in there we hardly saw any of the resort at all – in and out of the giant bath, sharing showers... I've never been so clean – or so dirty! – my whole life!"

Well it sounds like a pretty wonderful sort of holiday to us – especially for the lucky fella. A whole week of bathtime fun with Cara and her delectable boobs sounds like exactly the sort of R&R we could use after a hard stint of work in the *Mayfair* office (*That's two imaginary situations you've rolled into one fantasy there! – The Ed.*).

A striking beauty who is way above par, that's 24-year-old model and golf fanatic, Ruth Delaney, who is a regular on the courses in Sussex where she lives. Of course her modelling commitments keep her pretty busy these days, with assignments all over the country, but whenever she gets the chance, she sneaks off for 18 holes at the local links. 'It has even helped clinch a few contracts,' she told us. And certainly her 34-25-34 figure would be ideal to play a round with.

MAYFAIR
Classic

Ruth

'It was a friend of mine who first taught me to play golf,' she said. 'He was very patient and guided my early strokes, until I was as good at it as he was. Then he walked out. I don't think he could stand the competition. Since then all my boy-friends have become golf-widowers.' But Ruth admits that she much prefers to play the game with some men about. 'Oh yes, I enjoy it a lot more. Mind you, some of them just won't keep their minds on the game. There's many a time that I have known a man play his ball wide and suggest we both go searching for it. I sometimes think that's why it's called the rough!'

MAYFAIR Classic

Given that there's not a hint of golfing paraphernalia in this set of the rather lovely Ruth – which dates all the way back to volume 16 issue 9, no less! – they don't half talk about the game a lot in the blurb, do they? Perhaps the Ed back then was getting into the game or something, or possibly it was just an excuse for some rather lame gags about balls and rough and having a few strokes? Either way, a girl as pretty as Ruth surely deserved a final line better than that 'birdie' crack! Still, at least they didn't try to shoehorn in anything about playing the wrong hole...

MAYFAIR
Classic

But Ruth takes her golf seriously. 'I play off a handicap of 15, but I'm aiming to get it down by the end of the year. Mind you I could do with a lot more time on the golf course and less in the studio, but we all have a living to make. When I'm older I'd like to try and go professional, if I'm good enough.' Certainly cute, young Ruth has time on her side and it would be great to see her beautiful body on one of the televised tournaments. 'Mind you, I have hit one or two really wild shots. I once drove straight into a car window, but there was no damage, I'm glad to say!' Ruth is certainly quite a birdie!

Stop me if you've heard this before (*Stop! – Ed.*), but as I write this the economy seems to be going tits up again, and the Bank of England's just cut interest rates after we all thought they'd be raising them next. Well, it just goes to show you never can tell what's around the corner – although it's a pretty safe bet that the next issue of *Mayfair* will be crammed full of stunning girls... girls like these, in fact! If that doesn't raise rates of interest then nothing will!
